WELCOME LETTER

Dear Friends and Colleagues,

It is our great pleasure to invite you to the **7th European Congress of the European Association of Veterinary Laboratory Diagnosticians (EAVLD 2024)**, which will be held at the new Congress Center in Padua (Italy) on October 21–23, 2024.

The EAVLD 2024 will bring together a European audience of veterinary laboratory diagnosticians working in all disciplines across the full range of species, with the aim of providing a platform for communication to share the best practices and research discoveries for the future development of veterinary diagnostic.

The Programme will feature lectures, oral communications, posters and debates; in addition, panel discussions will bring together a group of experts that will offer diverse perspectives and encourage audience interaction to share knowledge and experiences. It is a great opportunity to gain valuable insight and encourage future networking opportunities.

The Congress will be held in a unique, contemporary and flexible space, an architectural gem that joins design, functionality and technology, where also sponsored exhibitions will take place. Padua is a welcoming city, rich in places of art (the University Museum, the world's first botanic garden and anatomy theatre) and artistic beauty (the Scrovegni Chapel with frescoes painted by Giotto). The city is the perfect venue for meetings and events and is easily accessible by car, train and plane. Venice, Verona and Lake Garda are within easy reach.

We truly hope you will join us, finally to be all together at EAVLD 2024 for a new and stimulating experience in the world of Laboratory Diagnosticians, where the future of Animal Health, Food safety, Animal welfare, Epidemiology, AMR, Genomics, Zoonosis and Vector Borne Diseases will be the core of discussions, and promoting friendship and collaboration among European scientists.

Looking forward to meeting you in Padua.
